

Terms of Use

This website is owned and run by YDK Technologies Co., Ltd. (hereinafter referred to as "YDK Technologies") or its proxy. The following are terms of a legal agreement between you and YDK Technologies. You are requested to read these Terms of Use before accessing and browsing the website, and to use the website only if you acknowledge that you have read, understood, and agree with the Terms of Use. If you do not agree to these Terms of Use, do not use this website.

This website may contain other proprietary notices and copyright information, the terms of which must be observed and followed by you. Information on this website may contain technical inaccuracies or typographical errors. YDK Technologies reserves the right to revise these Terms of Use by updating at any time without any notice to you. By using this website, you agree to be bound by any such revisions and should therefore periodically visit this page to check the then current terms to which you are bound.

Information YDK Technologies publishes on the World Wide Web may contain references or cross references to YDK Technologies products, programs and services that are not announced or available in your country. Such references do not imply that YDK Technologies intends to announce such products, programs or services in your country. Please consult your local business contact for information regarding the products, programs or services which may be available to you.

YDK Technologies's obligation with respect to its products and services are governed solely by the Terms of Use under which they are provided. If you obtain a product and service from YDK Technologies off this website that is provided without agreement, that product or service is provided "AS IS" without no warranties whatsoever, express or implied, and your use of that product or service is at your own risk.

1. Copyright Notice

Information and/or contents included in this website are protected by the copyright laws and other applicable laws of respective countries, or by relevant international treaties and/or other applicable laws. YDK Technologies prohibits the use (including without limitation, duplicating, altering, modifying, posting, transcribing, transmitting, selling, publishing and reciting) of such information, without prior permission in writing from YDK Technologies, except when use of the website is for private, non-profit purposes or is authorized by law. Please also note that some information or contents may have terms and conditions particular to such information or contents, in which case, you are requested to accept such terms and conditions when accessing them. For cases of using the website beyond the scope of copyright described above, [Contact YDK Technologies](#) before use.

2. Registered Trademarks

All the brands, logos or names of YDK Technologies's products and services used in this website are either trademarks or registered trademarks of YDK Technologies and/or its affiliates. All other company and product names mentioned in this website are trade names, trademarks or registered trademarks of their respective companies.

3. Website Links

Some parts of this website contain links to third-party websites (hereinafter referred to as "linked websites"), and some third-party websites contain links to this website. The contents of such linked websites are managed by their respective third parties under their responsibility, and should not be construed as being run by YDK Technologies. Thus, the contents of each linked website

should be used in compliance with the terms of use stated therein. YDK Technologies shall not be held liable for the contents of any such linked website, nor any sort of damage incidental to the use of any such linked website.

Furthermore, any link to this website should not be construed as a suggestion, recommendation or encouragement by YDK Technologies of the use of that linked website, or as an endorsement of the products, services or company described therein. Furthermore, any such link should not be construed as meaning that a special relationship, such as a business partnership, exists between YDK Technologies and the party running the linked website.

Websites of YDK Technologies's affiliates inclusive of all contents and related information are developed and run under the control and responsibility of the respective affiliates. Therefore, YDK Technologies regards them as third party websites and has no responsibility for them.

4. Download Service

Downloading of instruction manuals, catalogs, and other documents from this website is available on the following conditions:

4-1. Prior user registration may be required to use this download service.

4-2. When there are changes in product specifications, YDK Technologies reserves the right to change the documents available on this website without giving advance notice. Accordingly, the product features or specifications described in these documents may differ from those of a previously purchased product.

4-3. This website does not contain documents for all the products available from YDK Technologies. This website may also include documents for discontinued products.

4-4. Depending on the browser or viewer software version, you may not be able to use the download service or open a downloaded document. Also, certain types of printers may not be able to print the documents available on this website.

4-5. Portions of a downloaded file may be illegible due to conversion of the document into portable document format (PDF). The downloaded document may also contain errors that appeared in the printed document and were not corrected when it was published on this website.

4-6. Reproduction, edition, and distribution of the downloaded file for commercial purpose is strictly prohibited.

5. Exemption from Liability

Although utmost care is taken in providing the information on its own websites, YDK Technologies makes no warranty as to the recency, appropriateness, reliability, completeness, usefulness, appropriateness for a particular purpose, or accuracy of the information contained in any such website. Neither does YDK Technologies make warranty for the non-infringement of third parties rights and/or the safety of the website (including without limitation, the warranty that the website is error-free, that each function works normally at all times, that YDK Technologies corrects problems that may occur, or that the homepage or server of that website contains no virus or harmful content). YDK Technologies shall not be held liable for damage of any kind sustained by users as a result of using or being unable to use such information.

In no event will YDK technologies be liable to you and/or any party for any direct, indirect, special, incidental or other consequential damages, or for exemplary, special, punitive or similar damages of any kind, whether based on contract, strict liability, tort, warranty (express or implied), or any other legal grounds for any use of this website, or any other linked website, including without limitation, any lost profits, loss of income, business interruption, loss of

use, loss or destruction of programs or other data, loss of availability and the like on your information handling system, or otherwise, even if YDK technologies has been expressly advised of the possibility of such damages.

All information is provided by YDK technologies on an "as is" basis only. YDK technologies provides no presentations or warranties, express or implied, including the implied warranties of fitness for a particular purpose, merchantability, title and noninfringement.

YDK Technologies reserves the right to change, or temporarily or permanently withdraw, information and/or contents contained in its own website, or to suspend or discontinue the services provided through this website at any time, without prior notice. YDK Technologies shall not be held liable for damage of any kind sustained by you for any reason, as a result of YDK Technologies changing, or temporarily or permanently withdrawing, such information.

6. Applicable Laws and Jurisdiction

These Terms of Use shall be governed by and construed in accordance with the laws of Japan, unless otherwise expressly provided. All disputes and controversies arising out of or in connection with this website and these Terms of Use shall be submitted to the Tokyo District Court in Tokyo (main office), Japan as the Court of first instance. If any portion of these Terms of Use shall be deemed invalid, void, or for any reason unenforceable, such portion shall be deemed severable and shall not affect the validity and enforceability of any remaining portion.

YDK Technologies Co., Ltd.
